Dear Eric:

I am so excited to report to you how your scooter generated so much excitement—and revenue for our Silent Auction. We placed it on display during our Annual Gala, and guests were lining up to place their bids.

Our board members and guests range in age from early 30's to late 70's, and all ages were interested in purchasing the scooter. We had over 20 items on display, and the scooter was the hottest item!! We will be very interested in having another scooter in our next Annual Gala. It will definitely be brought back by popular demand.

Thank you for your flexibility with billing and shipping. You made it very convenient to work with your company. We would recommend you to other Boys & Girls Clubs and other non-profit organizations.

Sincerely,

Rose Costello
